PEACE TREATY SIGNED BY THE HUNS SATURDAY

The world peace treaty was signed by Germany's representatives in France last Saturday, exactly five years after the assassination of Serbia's heir to the throne, which was Germany's excuse for starting the war for which she had so long been preparing.

Kitchener, England's great military leader who lost his life through the treachery of Russia's German Queen, predicted soon after the war started that it would last from three to five years. Not many believed at that time that it could last even three years.

President Wilson sailed for home soon after the signing and is due to reach Washington about next Monday.

In the meantime Senator Borah has gone hog wild against the League of Nations, making assertions that no reasonable man will accept as true.

REV. JOHN MARTIN DEAD.

Rev. John Martin, the oldest minister in the Western Virginia Conference of the Methodist Episcopal Church South, died at his home in Guyandotte, a suburb of Huntington, Wednesday morning, June 25, at 4:30 o'clock.

He had been ill for six months, and his death is attributed to infirmities of his advanced age. He was seventy-nine years of age. Up until his last illness he was serving as a supply pastor at the Cottage Grove church. He was one of the headliners of the Methodist Conference, and was presiding elder for fifty years.

Rev. Martin was a native of Kentucky and was born in Carter county. He spent most of his boyhood days in Carter and Boyd counties. He received his education in Kentucky.

Rev. Martin's influence was felt afar. Not only was he able in securing the assistance of many noted ministers, but it was largely through him that Mrs. S. P. Fetter of Ashland, widow of the late Kentucky millionaire, John C. Mayo, gave two million dollars for the Mayo college, the church institution at Paintsville.

Rev. Martin was the father of nine children, eight of whom survive, and are: H. F. Martin, British Columbia; F. A. Martin, Chicago; F. S. Martin, Logan, W. Va.; W. W. Martin, Philadelphia; R. W. Martin, Parkersburg; E. G. Martin and Mrs. Thomas Dugan at the family home in Guyandotte.

The funeral services were held at his residence at Guyandotte at two o'clock Saturday and the remains were taken for burial to the Ashland cemetery. The funeral services were in charge of Rev. C. A. Slaughter, of Johnson Memorial church at Huntington, and Rev. J. M. Carter, of Point Pleasant.

FINE POOL AT THE NEW FETTER HOME

An attractive feature at the new Fetter mansion on Bath avenue which is nearing completion is the large swimming pool being built on the rear of the lot. This pool will be a health exercise for many of the girls and boys who are friends of the young people in this household. This pool will be enclosed in glass surrounded by seats for spectators, and potted plants and will indeed be picturesque. The plans show it to be one of the handsomest swimming pools in the state. Work on the new residence is going along rapidly and when this home is completed northeastern Kentucky and Ashland can boast of the most beautiful residence in the Bluegrass State.—Ashland Independent.

KENTUCKY MOUNTAIN GIRL AT THE CENTENARY

Never having owned a doll in her life, and never having seen one until she entered school at the age of 16, Miss Elizabeth Bennett, a Kentucky mountain girl, who is now a sophomore at Meridian College, Miss., and expects to enter Peabody Institute next year, is attracting much attention at the Methodist Centenary Exposition at Columbus. Miss Bennett demonstrates the hand-power loom and spinning wheel in the mountaineer exhibit at the exposition.

From the age of 10 she had the responsibilities of the children in the mountain home and worked in the fields with her father and brothers. With \$10 save from shearing sheep and dressed in linsey clothes which she had carded, spun, woven and made, Miss Bennett traveled 126 miles, part of the way afoot, part of the way on a mule, to the Brevard School of the Methodist Episcopal Church South. There she scrubbed floors and aided in the dining room to help herself thru school. And she made a scholarship record, too.

After she has taken her master's degree at Peabody Institute she will travel at least one year to tell the world of the Kentucky mountaineers and their possibilities. Then she expects to give her life to the industrial development of her people whom she loves so much.

Mrs. H. C. Corns, of Florence, Alabama, arrived Thursday of last week for a visit to Mr. and Mrs. J. Q. Lackey. Their son, Junior, came home Saturday, having received his discharge at Camp Taylor. Mrs. J. H. McConnell, of Catlettsburg, was also their guest for the day on Wednesday.

Mr. and Mrs. T. W. Shank have moved to Huntington and are occupying a cottage built recently.

DR. GEORGE T. CONLEY HAD NARROW ESCAPE

Dr. G. T. Conley had a narrow escape from death or serious injury Wednesday while driving his Studebaker car along the hill road between the city and East Williamson. Some break in the mechanism of the carburetor gave the machine an overdose of gas, sending it forward out of control at a high rate of speed. To avoid a wagon approaching along the road Dr. Conley steered into the bank, jumping in the hope of escaping injury. However, one wheel passed over his ankle, injuring it painfully, while he also sustained contusions about his wrists.—Williamson W. Va. Republican.

Dr. Conley is son of Mrs. Jennie Conley, of Louisa.

ROADS CAUSED WRECK OF AN AUTOMOBILE

Mr. Cleaver, proprietor of a boarding house in Louisa, drove out towards Blaine in a new Ford car Wednesday and the car turned over twice. He escaped with a dislocated shoulder and was lucky at that. The car was torn almost to pieces.

MRS. ELMER BRANHAM DIES.

Mrs. Elmer Branham died suddenly Wednesday morning at her home at Webb, W. Va. Burial took place Thursday. Her maiden name was Sammons and her first marriage was to Capt. Wm. Bartram, who died a few years ago. She is survived by her husband and two children.

PIPE LINE TO THE BLAINE FIELD

Rights of way for the oil pipe line from the upper Blaine wells to Bussey are now being taken. The survey was made some time ago. It is said the pipe has been ordered and will be delivered soon. This will not only relieve the situation in that new field, but will cause development to go forward much more rapidly. Several wells are under way there now. One of the latest is that on the farm of Dr. C. B. Walters, of Louisa, two miles from the Union Gas company's oil wells. The Union has 19,000 acres of land leased in that field, some of it in Lawrence and the remainder in Johnson county. Gas is being sold to the line that supplies Lexington and a compressor plant of large capacity has been installed to put the gas into the main.

The Union has three outfitts drilling oil and gas wells and expect to have two more at work soon.

OIL IN JOHNSON.

About 8 or 10 miles west of the Blaine field a well on the Lemaster farm was shot a few days ago and looks to be good for 25 barrels per day. Oil was found in two sands in this well, the Big Injun at 435 feet and the Berea at 558. Both sands were shot and both responded with profitable returns! This lease was drilled by the company in which Dr. S. P. Fetter, John E. Buckingham, J. W. M. Stewart, Frank Wallace, Jr., and others are interested.

Mrs. Burton Sells Store to Mr. Lafe Cooksey

Mr. Cooksey, of Fort Gay, has purchased Mrs. A. L. Burton's stock of merchandise and will continue the business in the same building. He has been in the merchandising business in Fort Gay and is moving his stock to Louisa. He will discontinue the line of groceries. Mr. Cooksey is a native of Lawrence county, having been reared at Fallsburg, and is a good citizen.

GOT \$17,953 FROM SALE OF STRAWBERRIES

Paducah.—Exactly \$17,953 was received this season by the members of the McCracken County Growers' Association from the sale of strawberries on an acreage of 484 acres, averaging \$372 an acre. The sale of lettuce grown on five acres brought \$5,315, an average of more than \$1,000 an acre. The growers have set their goal at 1,000 acres of berries for the 1920 season.

ORDINANCE BEING VIOLATED.

Attention is called to the fact that one of the city laws is being violated by many automobile drivers who run their machines with the mufflers cut out. The law was enacted here, as in every city and town in the country, because of the unnecessary annoyance it causes. Last Sunday while Rev. F. F. Shannon was preaching the entire congregation was disturbed by a machine making as much noise as possible while passing.

DR. GROVER C. DANIEL GRADUATES IN ILLINOIS

Dr. Grover C. Daniel, of this county, graduated from the Illinois Medical College with high honors on June 14th. He has also taken the State board examination of Illinois and later accepted an internship at the Government hospital at Greenville, South Carolina. Dr. Daniel is to be congratulated upon his success.

FROM MRS. BURTON.

Mrs. A. L. Burton requests us to say that she is very grateful to the people of this vicinity for the liberal patronage given the business established by her husband ten years ago and continued by her after his death. Also, that she will be in the store Saturday to receive payment of accounts due the firm.

DEATH OF MRS. KATHERINE FREESE IN CALIFORNIA

It was a great shock to scores of people in this vicinity when a telegram was received Wednesday evening by Capt. F. F. Freese telling of the death of Mrs. Katherine McGuire Freese, which occurred at Los Angeles, California, Tuesday night of this week.

She had been ill only two weeks. Aspiric poisoning caused her death. The burial took place Thursday at Los Angeles.

PIKE COUNTY VOTES NEARLY A MILLION FOR GOOD ROADS

The Ashland Independent says: The following telegram from Pikeville sent to Judge W. L. Watson yesterday, is self-explanatory and will be read with interest and delight by the people of Boyd and adjoining counties:

"Bonds in Pike county carried in election yesterday 16 to 1. Thank you for your speech."

J. M. JOHNSON, Clerk.

The speech referred to was one which Judge Watson delivered to the Pike county fiscal court when he urged them to follow the plan of the Boyd county court and appoint a citizens committee to supervise and assist in spending the money on the good roads movement. The Pike county court accepted Judge Watson's advice and when the people voted on the question of issuing \$150,000 worth of good roads bonds it was carried by an overwhelming vote.

Col. W. J. Seitz called to give us the good news in regard to Pike county's election. He said this was one of the most remarkable good roads election ever held in the state. That while the bond issue called for was unusually large, \$150,000, yet it carried with a majority which is almost unbelievable, which is about four thousand. On Marrowbone creek there were 1,376 votes for the bonds and only 6 against them. At Wolfpit precinct 550 votes for and 3 against. In the city of Pikeville 780 votes for and 7 against. You can thus easily see why Mr. Johnson wired that the bond issue had been carried by a vote of sixteen to one although it looked to us like his figures are too small.

Pike county is the largest county in Kentucky and is taking the lead on the question of good roads. All members of the Big Sandy and Old Dominion Highway Association will feel elated when they know what Pike county has done. The extremes of the road are in Pike county and Boyd county, and as the road has already been started in Boyd and Pike will soon be ready to start, it is up to the good people of Lawrence, Johnson and Floyd to get busy and close the gap and especially is it wise for them to do this now while they can get such liberal help from the state and federal governments.

A sister and brother, Mrs. E. Arnett and Mrs. Jas. McGuire, are the only surviving members of the family of Nicholas McGuire.

Mrs. Freese was a woman of unusually strong intellect and was highly cultured. She was genial and happy in disposition, charitable, always ready to help those in need or distress. These qualities made friends for her everywhere she went. Her death is a real loss to her family, by whom she will be deeply mourned. None will miss her more than her son-in-law, Mr. J. C. Thomas. Between them there existed the warmest affection. Not only the relatives, but all who knew Mrs. Freese, are saddened by the news of her death.

DR. G. M. STURGILL ARRESTED BY U. S. AUTHORITIES

Dr. George M. Sturgill, of Ashland, a native of Lawrence county, is under arrest in Louisville upon a charge of stealing thousands of dollars worth of drugs from the army hospital, where he was serving.

The Courier-Journal says: A plea of insanity will be offered in the defense of Dr. G. M. Sturgill, former First Lieutenant in the medical detachment of the base hospital at Camp Zachary Taylor, who is awaiting trial by court-martial for alleged theft of large quantities of drugs, surgical instruments and medical supplies of the Government.

The alleged confiscation of Government property for his own use made by Dr. Sturgill was exposed in a raid on house at 216 Woodbine street last week, and his arrest last Thursday at Ashland. Federal agents, military and civil authorities claim that they discovered several thousand dollars worth of cocaine, morphine, heroin and opium in Dr. Sturgill's home in Ashland. In the house at 116 Woodbine street, occupied by Mrs. Evelyn Toyell, were found bed linen, antiseptics and narcotics "which would last an average dope fiend for six years," it is said.

SERMON DELIVERED FROM AIRSHIP 300 FEET IN AIR

Columbus, O.—From a height of 300 feet above an immense crowd at the Methodist centenary celebration here Friday, Dr. Edward Soper delivered a sermon through a megaphone from the decks of a big army dirigible A-4, which came here from Akron under command of Maj. Clarence Maranville. Dr. Soper's voice could be distinctly heard. The sermon was about 300 words in length.

SIGN ON ANNIVERSARY OF ARCHDUKE'S DEATH

Five years ago June 28 Francis Ferdinand, Austrian Archduke, was assassinated at Sarajevo.

His death furnished the excuse for the world war which ended Saturday with the signing of the treaty of peace.

The shots which led to the war were fired by Gavrilo Princip, a student. He leaped out from a crowd watching the Archduke and his wife as they drove by in a carriage June 28, 1914, and poured a stream of bullets at them from an automatic pistol.

Shortly afterward Austria made demands on Serbia for a hand in Princip's trial. These demands resulted in international complications—and the war.

The Man Who Fails.

The man who fails is the sort of a chap, Who is always looking around for a snap; Who neglects his work to regard the clock; Who never misses a chance to knock. He is grouchy and slow when work begins; When it's time to quit, he jokes and grins. He's always as busy as busy can be, When he thinks the boss is around to see.

He believes that a "pull" is the only way By which he can ever draw bigger pay; And he sulks and growls when he sees his plan. Upset by the "push" of another man.

He's on the job when he draws his pay;

That done, he soldiers his time away; While the men who tackle their jobs with vim keep pushing and climbing ahead of him.

For the man who fails has himself to blame.

If he wastes his chances and misses his aim; He'd win, if he'd use his hands and wits;

The man who fails is the man who quits.

THE EXPLANATION

Nature placed the growth-promoting "vitamins" in the oil of the cod-fish—this explains why

Scott's Emulsion

is so definite in its help to a child of any age. Latter-day science reveals that the "vitamins" are useful for normal growth.

Scott's Emulsion will help any child grow.

"FAKE" ASPIRIN WAS TALCUM

Therefore insist upon genuine "Bayer Tablets of Aspirin"

Millions of fraudulent Aspirin Tablets were sold by a Brooklyn manufacturer which later proved to be composed mainly of Talcum Powder. "Bayer Tablets of Aspirin" the true, genuine, American made and American owned Tablets are marked with the safety "Bayer Cross."

Ask for and then insist upon "Bayer Tablets of Aspirin" and always buy them in the original Bayer package which contains proper directions and dosage.

Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester Salicylicacid.

EVER HAVE IT?

IF YOU HAVE, THE STATEMENT OF THIS LOUISA CITIZEN WILL INTEREST YOU.

Ever have a "low-down" pain in the back?

In the "small," right over the hips? That's the home of the backache. If it's caused by weak kidneys, Use Doan's Kidney Pills.

Louisa people testify to their worth. Read a case of it:

Mrs. Nan Boggs, Lock Ave., says: "A few years ago I was suffering with kidney weakness and my back was weak and lame. I had a dull, constant ache through the small of my back and was dizzy. I had nervous spells, too, and was generally weak. A few boxes of Doan's Kidney Pills, however, were enough to cure the complaint and they helped me in every way."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Boggs had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

DONITHON.

The pipe line is completed through this section. Several of the boys are still following on from this place and are working in the hills near Torchlight this week.

Miss Thelma and Robert Maynard, of Fort Gay, were calling on relatives here Sunday.

Mrs. Jesse Maynard was very sick some few days ago. Glad she is able to be out again.

S. Y. Dobbins filled his appointment here Saturday night and Sunday. A large crowd attended services. Rev. Dobbins left another appointment for the first Saturday night and Sunday in August.

Mr. Moore, our grocery man, hauled a fine load of groceries from town last week.

Mrs. O'Brien and Mrs. Henderson Wells were business visitors on our creek Monday.

Alice and Stella Pope of Williamson, are the guests of their grandparents.

While working on the pipe line last week John Conley hurt his finger.

The "bootleggers" made good time travelling our roads last week, and it has been rumored that some of our neighbors were in the business too.

Mr. and Mrs. George Harlyss, and Mrs. Coper and Master Donald attended the communion meeting at this place.

Mrs. Winfield Vinson was a guest of her daughter, Mrs. Chas. Maynard, and attended the communion meeting. J. C. Moore had a fine calf to die last week.

Mrs. Edward Conley and Luvene Tyree were on Three Mile Monday.

YATESVILLE

We have had plenty of rain the past week which is excellent on the corn, oats and potato crops. The meadows are fairly good and the wheat crops were never better.

A good many of our boys who like a morning dram were making their last wind up trips to Catlettsburg Monday.

The oil business is booming and within the next week or two we hope to be able to give to the readers of the NEWS a complete detail of all the progress that has been made in our oil field during the last year. At the present a well is being drilled on a lease on the river side of the hill near Jesse Bernard's by Tom Hays and a well is nearing completion on the land of the Burton heirs on Morgan creek by the Ohio Fuel Oil Company and the machinery has been moved and a well staked on the lands of L. E. Bradley, operations to be begun within the next few days by the Omar Oil & Gas Co. The same company has a spot staked on the land of J. W. Elkins for a well, and the machinery is to be moved there at once.

The time of the year for road talk is here and we hear the usual amount of road talk and see the usual amount of print about road making, but still the mud holes that are impassable with a car remain the same.

Roy Carter, one of our good old time neighbors who has been away from our section for some time, has moved back into our neighborhood and he, together with his family, is now domiciled in a house of R. Blankenship's.

Tom Hays' drillers had the misfortune to lose their tools in the well being drilled near Jesse Bernard's but succeeded in fishing them out from a depth of 1500 feet, and the well will be drilled in within the present week.

DENNIS

There will be church at this place the first Sunday night in July by Rev. Dave Kitchen.

Mary Chadwick was the pleasant guest of Misses Cassie and Gracie Thompson Sunday.

Bascom Shortridge, Andrew Woods and Charley Rice motored to Ashland Saturday.

Nellie Caines attended the candy party Tuesday night.

DICK AND DAISY.

Accomplishing "the impossible" in a cigarette!

It is years back since smokers have heard of any NEW quality in a cigarette.

But here, at last, is a cigarette that does what smokers would never have believed a cigarette could do.

Here's a cigarette that satisfies—Chesterfields.

Chesterfields touch the "smoke-spot." Chesterfields let you know you're smoking. Chesterfields—and Chesterfields only—SATISFY!

It's all in the blend—a blend of the finest selections of Turkish and Domestic tobaccos. And the formula for this blend is the manufacturer's secret. Unlike a patent, it cannot be copied or even closely imitated.

Light up a Chesterfield, some time today, and see how promptly your smoke-sense will put the O. K. on "satisfy."

A Warner's Summer Corset

does not mean a Corset made of net or loosely woven fabric—not at all. It means a Corset light in weight, made of a cool, substantial material and stayed with Warner's Rust-Proof boning that stands the test of time—plaint perfectly, holding your form in its shapely contour so comfortably that you feel the corset only for its comfortable support. And then a Warner's Rust-Proof, too, makes a fresh, serviceable Corset—a Corset always as fresh as your lingerie, as you can tub it like lingerie.

We Call Upon Judge

Carroll to Explain

The following is from the Elizabeth Town Mirror:

It has been openly charged that one Eli H. Brown, Jr., is financing the campaign of Judge John D. Carroll in his race for the democratic nomination for Governor, and as far as we have been able to learn that charge has never been denied although Governor Black has challenged a denial thereof in his public addresses. If there is no denial forthcoming, it of course must be accepted as true.

What then can prompt Eli H. Brown, Jr., to bear the heavy expense incident to a campaign for the democratic nomination for Governor and from whence does he expect to be repaid?

It will be remembered that Eli H. Brown, Jr., received the sum of \$7,000 in the settlement of the now celebrated Harkness tax case wherein the State of Kentucky lost hundreds of thousands of dollars in a settlement that is now openly charged to be fraudulent, and which Governor Black has since by suit filed, sought to set aside and recover to the State what it should justly receive.

This is the same Eli H. Brown, Jr., who held an office under the State Insurance Board and which upon investigation by committee from the last General Assembly was found to be absolutely devoid of duties to be performed, although he was relieving the State of the sum of \$3,000 per annum

for his services.

If we are correctly informed he is the same Eli H. Brown, Jr., who represents the great packing houses of Armour & Co. and Swift & Co., who are interested in obtaining contracts with the State to furnish its penal and meat products, and we wonder if these facts and the payment by him of Judge Carroll's campaign expenses? And if not, where does the money come from?

Since high officials are judged to a great degree by their alliances and associates

THE CHURCHES

CHRISTIAN CHURCH.

Preaching by the pastor, Rev. J. H. Stambaugh the first and third Sunday in each month, morning and evening.

M. E. CHURCH.

Our district superintendent, Rev. W. H. Davenport, of Ashland, was with us last Sunday and preached a splendid sermon at the evening hour for worship. Sunday morning our congregation joined those of the other churches of Louisa and heard Rev. F. Shannon at the M. E. Church South.

FIRST BAPTIST CHURCH

Children's Day.

The Children's Day exercises Sunday evening were enjoyed by a large and appreciative audience, which filled the church. Even standing room was at a premium. The children acquitted themselves well. Little Miss Imogene Wilson so captured her hearers by the sweet rendering of a vocal solo, "Over the Sea," that they would not be satisfied without an encore.

The little girls were delighted to hear their song verified by the dropping, dropping of coins in their cups.

All were happy in their innocent youth. Happiness is contagious, then why not allow the children a greater part in the Master's work.

Thanks to Mrs. Simpson, Miss Sue Bromley, and Miss Simpson to whom credit is due for the success of the evening.

Missionary.

Next week is missionary week and we hope to have as good attendance as last month when we met with Mrs. Sam Bromley. The crowd was large, the program good with special music, the refreshments most excellent.

Misses Sue and Blanche know how to please.

Don't wait for a special invitation; you are always welcome. Remember the Master has left his work in our hands. Let us not be found wanting.

Rev. F. F. Shannon.

Dr. Frederick F. Shannon, pastor of the Reformed Church-on-the-Heights, Brooklyn, N. Y., will preach at the Baptist church Sunday evening at 8 o'clock. Louisa should be prouder of having produced such a soulful preacher than if she had produced a governor.

Sunday school 9:30 a. m.

Preaching service 10:30 a. m.

Evening worship 8:00 o'clock. Prayer meeting Wednesday 8 p. m. First Wednesday night in each month business meeting.

You are cordially invited to attend all services. J. T. POPE, Pastor.

M. E. CHURCH SOUTH.

Rev. F. F. Shannon, who is here from Brooklyn spending his vacation with home folks, preached last Sunday morning at the M. E. Church South to a large audience. The congregations of the M. E. and Baptist churches joined in the service. Rev. Davenport, District Superintendent of the M. E. Church, was present.

Rev. F. F. Shannon's sermon is pronounced by many Louisa people to have been one of the very best he has ever delivered here. Special music was rendered by Miss Katherine Freese, Miss Elizabeth Yates and Miss Opal Spencer, who sang a trio. It was very much enjoyed by the audience.

Rev. A. A. Hollister, the Presiding Elder, preached Sunday night and held his fourth quarterly conference on Monday morning. This closes four years service on the district, which is the limit. Rev. Hollister's friends are glad to know that he has recovered from the illness that kept him away from his duties a few weeks.

On Sunday morning he conducted dedicatory services at Springdale, a new church house having been completed there recently. A very large crowd was present, with dinner on the grounds. The new building replaces one erected 31 years ago.

Two children of Mrs. W. F. Farley were baptized recently at the home of Mrs. Hannah Lackey by Rev. F. F. Shannon and received into the M. E. Church South by Rev. H. O. Chambers.

"The Heritage of the Saints" is the subject for the morning hour. Our congregation will join with the other congregations of the city in a union service at the Baptist church Sunday evening at eight o'clock at which time Dr. F. F. Shannon will preach.

Morning service at 10:30.

Evening service at 8 p. m.

Sunday school 9:00 a. m.

Epworth League 7 p. m.

Prayer meeting Wednesday 8 p. m.

Bible Class Thursday 7:30.

To all these services the people of the town and community and visitors are invited.

HERBERT O. CHAMBERS, Pastor.

Wm. H. Price has been appointed postmaster at Keweenaw, Pike county, to succeed J. B. Roberts, resigned.

"Meats in Storage"

Every working day of the year 75,000,000 pounds of meat are required to supply home and export needs—and only 10 per cent of this is exported.

These facts must be kept in mind when considering the U. S. Bureau of Markets report that on June 1, 1919, there were 1,348,000,000 pounds of meats in cold storage. If the meat in storage was placed on the market it would only be 20 days' supply.

This meat is not artificially withheld from trade channels to maintain or advance prices.

Meats in storage consist of—

55 per cent (approximate) hams, bacon, etc., in process of curing. It takes 30 to 90 days in pickle or salt to complete the process.

10 per cent is frozen pork that is to be cured later in the year.

6 per cent is lard. This is only four-fifths of a pound per capita, and much of it will have to go to supply European needs.

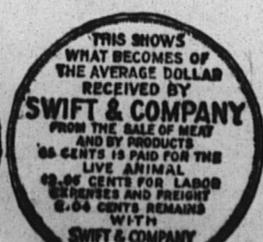

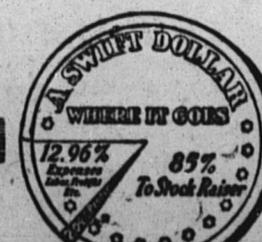

19 per cent is frozen beef and lamb, part of which is owned by the Government and was intended chiefly for over-seas shipment. If this were all diverted to domestic trade channels, it would be only 1½ lbs. per capita—a 3 days' supply.

100%

From this it will be seen that "meats in storage" represent merely unfinished goods in process of curing and the working supply necessary to assure the consumer a steady flow of finished product.

Columbus Can Well Accommodate All Who Attend Methodist Celebration, Officials Say

NO CROWD which has been proposed for the Methodist Centenary Celebration will swamp Columbus, according to Mayor George J. Karp, who has received some inquiries from distant points regarding the ability of the Capital City to take care of the hundreds of thousands of Methodists coming from all over the United States for the Centenary Celebration, June 20 to July 18.

Mayor Karp says: "Columbus has always been equal to any situation. We are not going to fail the exposition crowds, no matter how many thousand there are. Tell them to come to Columbus town. We are ready with open hearts and open doors. Columbus can do it."

James T. Daniels, secretary of the Chamber of Commerce, says: "We can easily and satisfactorily accommodate three hundred thousand visitors." Organizing Secretary H. B. Dickson says: "Three hundred thousand my minimum estimate of attendance. Confident Columbus can take care of twice that number."

Navajos will weave rugs and St. Regis make basketry—all actually living in their native homes, be they pueblos or wigwams.

NO SEATS RESERVED

First Come, First Served, at Coliseum at Methodist Centenary

At a conference of Director General S. Earl Taylor, Dr. Fred B. Fisher, H. B. Dickson and other members of the Centenary Exposition staff, it was decided that there will be no seats reserved in the Coliseum for "The Wayfarer" pageant presentations at the Methodist Centenary Celebration, Columbus, O., June 30-July 13.

All seats will be available to spectators as soon as the doors of the Coliseum are opened each evening. "It will be a case of 'first come, first served,'" says Mr. Dickson. Season tickets to the exposition grounds admit the bearer once to the pageant in the Coliseum. Single admission fees at the gate require an additional fifty cents for the Coliseum evening feature.

RED CROSS CANTEEN AT TOUL, FRANCE, SERVED MANY BOYS

Washington—Oceans of coffee, chocolate and lemonade, mountains of doughnuts and sandwiches and pyramids of ice cream were consumed by the 1,621,417 American doughboys who passed through the American Red Cross canteen at Toul during the last eleven months. The Toul refreshment station, long known as "one of the busiest Red Cross spots in France," is located in the original American battle sector at a point which enabled it to feed almost as many soldiers as there were in the American Expeditionary forces. Many interesting figures regarding the canteen's activities are contained in a report received today at Red Cross Headquarters.

American fighting men tarried there long enough to eat 1,561,625 thickly-constructed, well-filled sandwiches and 461,114 doughnuts. During the big American troop movements in the Toul sector last June the canteen served 3,000 men a day, the soldiers of the Twenty-sixth, Seventy-seventh and Eighty-second divisions being cared for as they passed through in trains. No effort was made to keep track of the number of cigarettes and quantity of tobacco passed out to the men at this point. During the American offensives last September 18,000 soldiers received refreshments as they were carried into and evacuated from a hospital two miles outside of Toul.

Originally the canteen was established in a fifty-foot tent in the railroad yard at Toul, but with the rapid increase in the number of men to be cared for the Red Cross took over an entire hotel close by for the work. As many as 7,000 soldiers have found lodgings there in month, the number cared for in this way rarely dropping below 3,000. More than 200,000 soldiers received meals there during the month of January. The shower baths have been used by 70,000 soldiers. General Pershing recently inspected the canteen and complimented the managers.

CALOMEL SALIVATES AND MAKES YOU SICK

Acts like dynamite on a sluggish liver and you lose a day's work.

There's no reason why a person should take sickening, salivating calomel when only a few cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate.

Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work.

Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more billiousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrid calomel your money is waiting for you.

The quarterly conference at Springdale church was held here Saturday and Sunday, June 28 and 29th by our presiding elder, Bro. Hollister. He, with his usual eloquence preached an interesting sermon to a large assembly on Saturday evening. On Sunday morning he preached the beautiful dedicatorial sermon, dedicating the new Springdale church. Bro. Hollister delivered his message to a vast congregation, at least seven hundred people from many parts of the country around being present. Just before the church was dedicated, Bro. Hollister asked the people to contribute ninety-six dollars, that being the amount of the debt unpaid. It was made up shortly. Just after the dedication, dinner was served on the ground. There was a bounteous spread and all en-

BLUE BELL.

William Riley was born in Lewis County, Kentucky, in September, 1852, and departed this life May 28, 1919. He had been married twice. Seven children born of his first marriage and three to his last marriage. His second wife was Susan Harman, sister of Adam and V. D. Harman.

Mr. Riley bought the William Shortridge farm on Cattie fork and moved there in 1901 and since then up to the date of his death he was a citizen of Lawrence county. He was an industrious hard working man, a good citizen, a good neighbor and friend to the common people.

His sickness was of long duration and during that time he was converted to God and enjoyed the great blessing of health and strength.

He was kindly nursed by J. W. Elkins, Nancy Harman and others. His children came to his bedside and with his dear wife did all for him they could do. His friends and neighbors visited him often during his sickness and did for him all they could. His son in Ohio and his son and daughter in West Virginia came to his bedside. He had one son in the U. S. Army in Siberia, who could not come to see him. It was heart-rending to hear him pray for his son in Siberia. Just before the end of life came he was in a trance, and saw a vision and heard music and saw the choir. He called his children to him often during his sickness and would tell them to be good.

The funeral was preached at his home by Rev. H. C. Conley, assisted by R. H. Cassidy and James Ellis, after which the J. O. O. F. took charge of the body and carried it to the J. W. Elkins cemetery overlooking his home and there deposited it to sleep until the trumpet of God sound the retreat of worlds and he will come forth to meet God in the air. Weep not, dear friends and relatives, just prepare to meet him on God's eternal shore.

RED TRIANGLE SERVICE FOR CZECHO-SLOVAK SOLDIERS

The American Y. M. C. A. is now serving the soldiers of the Czechoslovak armies. The picture shows a Red Triangle worker distributing cigarettes to the fighting men of the new republic.

JUSTICE FOR THE Y. M. C. A.

Editorial in Army and Navy Register.

This is a period of charges, counter-charges and investigations. Officials of the war and navy departments and officers of the army, navy and marine corps will be summoned before investigating committees to tell what they did in the war, and those inclined to find fault will never be quite satisfied with official reports. Many mistakes will be recorded, but we believe much, if not all, of our trouble will be traced directly to lack of adequate preparation in the first instance.

The American Red Cross and the various welfare bodies will come in for their share of criticism. As a matter of fact, the Y. M. C. A. already has been made a target for charges involving conflict of religious beliefs between workers and soldiers and sailors. The Y. M. C. A. has been charged with profiteering in its conduct of canteens. The institution is a nonsectarian body, and it would hardly seem possible there were many of its numerous workers who found time in the discharge of their duties to engage in religious arguments with those making use of its facilities. Protestant and Catholic alike were made welcome and any denomination could conduct religious services in their "huts."

The charge of "profiteering," a familiar epithet of the logicians, has fallen to the ground. It has been shown that army authorities asked the Y. M. C. A. to take over the management of the canteens, but failed to give it the advantage of the army purchase prices, transportation and labor, which were not added to the army unit prices as overhead charges. The Y. M. C. A. only attempted to put the canteens on a self-supporting basis and, naturally, prices could not remain at the low army figure. Nothing was given away at the canteens except that men going to or coming from the front got chocolate, cigarettes and hot coffee without charge. After there had been general complaint on account of these increases, there was an investigation and army authorities, realizing the handicap under which the Y. M. C. A. had been placed, decided to furnish the supplies at cost and look to the Y. M. C. A. to manage the canteens. No criticism has been heard since this program became effective.

If there is fault to be found with the Y. M. C. A. it no doubt will be that it willingly assumed every burden thrust upon it and tried to do too much.

SIXTY-THREE "Y" MEN DECORATED

Chicago.—The Y. M. C. A. carried the Red Triangle into the camps and trenches abroad at a cost of 53 lives, a sacrifice proportionately one-quarter as great as that in the American army, according to a statement issued by the national war work council of the Y. M. C. A. Of these fatalities 35 were due to disease, and the remainder to shell-fire, bombs, gas-fever, drowning and wounds. Ten of these were women, one of whom was killed by shell fire and the others in a German air raid.

There were also 55 non-fatal casualties. These were due principally to machine gun fire, shell fire, and motor transport accidents. Numerous cases of slight wounds and gassings which were attended at dressing stations, but were not reported to headquarters, are not included.

These casualties occurred in a force which at no time exceeded 9,000 workers, of whom it is reckoned that more than one-half were never sent to the front, being employed in the hundreds of huts maintained throughout the training areas and the "leave areas."

Sixty-three "Y" workers were decorated, while in all more than 152 received official recognition for distinguished service. Thirteen of these were decorated with the Croix de Guerre, while 48 received other decorations. Of these, three received the Distinguished Service Cross, three the Order of St. Stanislaus, five the Italian Cavaliere del Corona, 38 the Italian War Cross, and one the French decoration of the Corps d'Armee. Seven were cited for the Croix de Guerre, and seven for other decorations, six commended for meritorious conduct, and twenty-one received honorable mention in dispatches. Several units were cited in their entirety, those serving with the Third division being cited twice. More than a score more reported decorations have not yet been confirmed.

Not one of these men under thirty was fit for military duty, but the statistics show that they carried on with the same courage and spirit that identified Americans throughout the war. These records show that they went over the top with the assaulting waves, that they exposed themselves under machine gun and shell fire to minister to the wounded, that they worked indefatigably as stretcher bearers, and that they drove ambulances into the midst of battle to rescue the wounded.

A New Shock for the British.

London.—The American soldier's capacity for chocolate is a never-ending source of wonder to Britshers, a wonder that has just been given a new stimulus by a contract the Y. M. C. A. has closed to take over a plant and manufacture chocolates—800 tons of chocolates a month.

GERMANY TORN APART BY PACT

Under the treaty of peace signed last Saturday:

Alsace-Lorraine is ceded to France; Posen and West Prussia to Poland; part of Schleswig to Denmark, and 222 square miles of Rhenish Prussia to Belgium.

The Saar coal basin is to be internationalized for 15 years pending a plebiscite to determine permanent control, the coal mines going to France.

Luxemburg is freed from the German Customs Union.

The independence of Germany-Austria, Poland and Czechoslovakia are recognized.

Germany loses all colonies and valuable concessions in Europe, Asia and Africa.

The German army is to be cut to a temporary total strength of 200,000 men, but ultimately to 100,000.

The German navy is limited to six battle ships under 10,000 tons each, six light cruisers and twelve torpedo boats, surrendering or destroying all other war vessels. She is to have no more submarines. Navy personnel is limited to 25,000.

German munition factories are to be operated only by permission of the allies, and import or export of war materials is forbidden.

Holzland defenses are to be dismantled and fortifications aiming at control of the Baltic are forbidden.

The Rhine and Moselle rivers are put under control of an international commission, on which Germany will be represented. The French, Belgians and other nations may run canals from the Rhine, but Germany is forbidden to do so. German forts within 25 miles of the river are to be dismantled.

Other great rivers, hitherto German, are to be under international control. The Czechoslovaks and Poles are to have free access to the Elbe, Oder and other streams and the Poles to the Niemen.

The Danube is to be controlled by an international commission. The Kiel Canal is to be open to all nations, and the Czechs are to get harbor rights at the mouth of the Elbe.

German railroads are to be of standard gauge and rights granted to other powers to use them. Traffic discriminations against outsiders are forbidden.

Offenders against the rules of warfare and humanity are to be delivered up to the allies. An international high court is provided for trial of the Kaiser, whose surrender will be asked of Holland.

Indemnity payment is to be fixed by an international commission. An initial payment of \$5,000,000 must be made within two years. Bonds running 50 years are to be issued for later payments. Occupation of the Rhine country is to continue until the allies are assured of Germans good faith.

Germany must help build ships to replace those she sank, help rebuild devastated regions, surrender her 14 submarine cables and cede all German ships over 1,600 tons and many smaller ones.

Germany accepts the League of Nations principle, but is barred from membership for the present.

German treaties with Russia and Roumania are abrogated and she recognizes the independence of states formerly Russian.

LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Freezone costs but a few cents at any drug store. Apply a few drops on the corns, calluses and "hard skin" on bottoms of feet, then lift them off.

When Freezone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

Miss Estella Skaggs, daughter of the Rev. Philip Skaggs, is visiting Mrs. Ellen Holbrook this week.

Dr. Elbert Skaggs, our dentist and merchant at this place, is going to move to McRoberts, Ky. We are very sorry to have the Dr. and his very estimable family go away. The best wishes of this neighborhood go with them. Dr. Skaggs has filled the position of dentist and merchant so efficiently as well as his industrious wife and children and they have endeared themselves to their many friends of this community. We won't know how to get along without the Dr. and Hulda.

Emory L. Holbrook has had the misfortune of breaking one of his ribs.

Miss Grettie Holbrook visited at A.

E. Lyon's Saturday night.

Miss Vestie Skaggs, who has been serving in France with U. S. Red Cross corps, is back with home folks.

Mrs. Sallie Brown Gambill, wife of the late Dr. J. J. Gambill, has compromised the suit that was pending between her and the Gambill heirs in consideration of a sum of five thousand dollars. Mrs. Gambill gave up her interest in the Dr.'s estate and moved back to her home at Paintsville. She is a very industrious and enterprising woman and well respected in this community. The best wishes of her many friends go with her back to her old home.

Miss Snow Harris, daughter of the Hon. Brig. H. Harris, of Ashland, is visiting her aunt, Mrs. Florence Holbrook, at this place.

Andy J. Skaggs and Adaline Skaggs were married this week. They are now making their home with Noah Skaggs.

Dr. C. B. Walters, of Louisa, is having an oil well drilled on the Hargis Holbrook farm. The neighbors are all very anxious to learn about the result whether there be any oil, gas, salt water or blue mud.

Dr. J. J. Gambill and Green Burton of Blaine, were at the oil well at this place Sunday.

BLUE BELLS.

Rev. John H. Stambaugh and wife are visiting friends and relatives at this place and while here Bro. Stambaugh will hold a few days meeting.

Several from this place attended church at Springdale last Sunday and report having plenty to eat and good preaching.

Herman Berry made a business trip to Louisburg the first of the week.

Miss Grace Swetnam spent Sunday with her cousin, Ethel Swetnam.

PIKEVILLE

Mrs. Porter Entertains.

Mrs. Howard Porter gave a dinner Friday evening to the younger set in honor of Miss Nancy Pauley and guest, Miss Elizabeth Liggett, both young ladies having attended school for the past year at Ward Belmont, Nashville, Tenn. The house was attractively decorated with lilies and garden roses. The table was beautiful in its appointments having for its center piece a huge vase of Richmond roses with the smaller vases at either end containing white carnations, red, white and blue were the prevailing colors. Covers were laid for the following: Miss Nancy Pauley and Mr. Tom Huffman, Miss Elizabeth Liggett and Mr. A. B. Brooke, Miss Thelma Morgan and Mr. William Pinson, Miss Lorraine Bowles and Ensign Raymond Greer, Miss Katherine Keel and Mr. Ferdie Huffman, and Mr. and Mrs. Howard Porter.

Honor Guests.

One of the most enjoyable affairs of the season was the party given last Saturday night by Misses Magdalene and Lottie Mae Rogers, in honor of their guests, Misses Maxie and Leon Auxier, of Paintsville, and Miss Elizabeth Liggett. The house was beautifully decorated for the occasion, the chief attraction of which was the trailing arbutus which climbed the bricks of the old fashioned fireplace.

The music was furnished by Miss Lottie May Rogers and Prof. Elbert. Fruit punch was served throughout the evening. After an evening of music and games, delicious refreshments were served to the following guests: Misses Maxie and Leon Auxier, Elizabeth Liggett, Nancy Pauley, Lucile Dave, Lorraine Bowles, Violet Walker, Ethel Francis, Thelma Morgan, Sallie Vicars, Bessie Riddle, Elva Bevins, Ruth Greer, Katherine Keel, Elizabeth Daves, Josephine Bowles, June Corbin, Ola Crutfield, Belle Elliott, Nancy and Lucile Spith and Lavone Honaker; Messrs. Tom Huffman, Winston Connally, Kelsie Taylor, Berna Ratliff, Carl Young, Hubert Davenport, Ferdie Huffman, Raymond Greer, Howard Gray, Harry Laviers, Chas. Bowles, Paul Riddle, Cecil Green, Jack Hatcher, Frances Rice, Edward Elliott, George Elliott, Oscar Burton, C. E. Blair, Jimmie Sanders, Harrison Bowles, Paul Record, Doris Music, Willie Pinson, Lincoln Nunnery, Raymond Langley, Bennett Elliott, Charles Edward Magruder.

Taking Six Weeks Course.

The following county school Super-visors left recently for Richmond, to take a six weeks supervisory course at that great school. They are: Emsey Blackburn, Rev. J. B. Deskins, Geo. Potter and P. K. Damron. These men are among our best educational leaders, and they say they are going to make this the best school year in the history of Pike county.

Returned from Louisville.

Dr. G. H. Hughes attended State Dental Association at Louisville, and with a number of other men who graduated in his class in 1913, made a tour of Southern Ohio and Indiana in an automobile.

Mrs. Marion Davis and daughter, May, of Williamson, W. Va., are guests of Mr. and Mrs. Geo. Honaker.

Ancel Culbertson, 11, who was operated on for appendicitis in a hospital in Ashland, is reported as doing well.

PRESTONSBURG

Auxier and Prestonsburg Cross Bats.
Sunday afternoon the Prestonsburg baseball team played the Auxier team in that city. The teams were pretty well matched and resulted in a score of 8 to 7 in favor of Auxier. Auxier team will come to Prestonsburg next Saturday to play the second game of the series when our boys hope to retrieve their loss.

\$20,000 Verdict.

The case of Harvey Ferguson administrator vs. W. G. McAdoo, director general of railroads, damage suit for the death of Henry Lambert, who was killed by a C. & O. engine the same time that a number of others lost their lives by a truck on which they were riding having been struck by a light engine, was ended with a verdict of \$20,000 was reached. The men were railroad construction men and were enroute from Louisa to their work at Ashland when the death dealing engine made an abrupt dash around a curve and was upon them before they had a chance to escape by jumping or otherwise. Lambert had been married two years.

Funeral of Mrs. Charles Runyon.

The funeral of Mrs. Charles Runyon was held at the Southern Methodist church. The house was filled with a large gathering of relatives and friends of the family. The casket was covered with a wreath of flowers, tributes of love to the memory of this good woman. The bereaved husband was supported by his two daughters. The pall bearers were her four sons and two brothers, one of whom was Col. J. H. Nichols, of Huntington. Decedent is survived by her husband, two daughters and four sons. She was born and reared in this city and was in her sixty-seventh year. She is said to have been a most devoted wife and mother and a sincere Christian.
